Description

Introducing the Hunter 40.5 Legend, a remarkable series renowned for its exceptional craftsmanship.

This exquisite vessel showcases timeless design and features an incredibly spacious and bright interior, boasting a generous 2-meter headroom. Equipped with three cabins, two heads, air conditioning, and luxurious amenities, it offers the epitome of comfort. With a substantial 500-liter onboard water capacity, a reliable 4.5kw generator and a robust Volvo Penta MD22 engine, this boat is fully self-sufficient for long-distance voyages or leisurely weekend cruising.

Navigating in and out of the dock is a breeze with this Hunter 40.5 Legend, thanks to its forward and stern thrusters. Impress your neighbours as you effortlessly execute a 360-degree turn on the spot. Disembarking for sundowners becomes effortless with the open transom design when you reach the dock. Once anchored, you can enjoy a peaceful night's sleep, aided by the electric windlass with a wireless remote and twin 75-meter stern tie lines.

Out on the water, this powerful cruiser truly shines. Designed for short-handed and single-handed sailing, it features roller furling main and headsails, with all lines conveniently leading back to the cockpit. The electric 44 winch is a notable addition, providing optimal convenience and efficiency. Meticulously maintained and recently refitted in 2022-23, the boat features new standing rigging, batteries, electrical upgrades including smart charger and battery monitor, making it ideal for offshore cruising in the Mediterranean and beyond.

This remarkable vessel is now available for a new owner to enjoy its rich heritage and intelligent upgrades. Key features of the Hunter 40.5 Legend include:

- CE A 'Ocean rated' blue water boat
- Year built: 1996
- EU VAT Paid
- Location: St. Raphael Harbour, Limassol, Cyprus

Additional Features:

- Bow Thruster with helm joysticks & wireless remote control

Working Sail Area : 760.00 sq ft

Manufacturer Provided Description

The Hunter 40.5 was conceived as a comfortable cruising boat, and as in all Legend Series boats, a tough competitor too. She blends comfort, performance, and shorthanded sailing capabilities all in one package. Her powerful rig, swept back spreaders, and large mainsail enhance her performance, while the bulb-wing keel keeps her stable and shallow in draft. Special touches like a small furling headsail, single-line reefing, and sail flaking, make cruising the 40.5 so enjoyable. A wide-open cockpit, complete with table keep you comfortable in a seaway or on the hook. Down below, there is an incredible salon finished in rich fabrics, hand-rubbed teak and Corian counters. The L-shaped galley is truly workable including a dual-opening refrigerator and freezer, stove with oven, and even a dish rack complete with dishes. Accommodations are sumptuous and can handle a crew of six and even eight with the optional tri-cabin version. The Hunter 40.5 boasts 17 opening ports and enough dry storage to comfortably live aboard. From the innovative walk-through transom to the stainless anchor roller, no one provides a better-equipped or a more value-oriented, comfortable cruiser than the Hunter 40.5.
