## Description

It is equipped with added tanks of fuel of 250 liter each so we have in boat capacity of 1400 liters instead of 900 liters on the originals.

Engines Volvo Penta are turbo powered by 600 hp each so the total 1200 hp we have enables us to sail at up to 35 NMPH which is in fact a speed boat.

## Manufacturer Provided Description

The Gran Turismo 46 is the latest generation of sport cruiser and benefits from Air Step® technology. This is a stylish and harmoniously designed boat with a bold sporty look. She boasts a clever layout and offers lots of opportunity for personalisation.

With her elegant sporty line, the Gran Turismo 46 combines a completely open hardtop, electrically operated side glazing and a wide glass door that protects the cockpit. A perfect combination between protection and clear space, she offers two possible deck plans: after galley or galley in the cockpit. For the first time, the latest generation of planing hull offers a choice between a Volvo IPS 600 or a Z Drive engine, allowing up to 2 x 400 HP.

Both safe and perfectly manoeuvrable, this model promises immense pleasure at the wheel.
