

 **HIGHFIELD 2024**

**#DARETOEXPLORE**

# CLASSIC

## THE

Classic Range offers extra levels of comfort in this double deck hulled dinghy that will keep your feet dry. The hulls of the Classics are built of 2.5mm thick powder coated marine grade aluminium. The tubes are made of 1100 dtex coated fabric.

The high quality finish and luxury look belies the fact that this range of tenders has been designed to work hard. A durable aluminium hull coupled with full length keel guards make these ideal for those beach-hopping days with friends and family.

The optional FCT console or GT console options allow forward steering control for increased comfort and greater ease of navigation.

These options offer a more luxurious tender experience whilst still keeping the weight down.

The large weight savings achieved compared to equivalent GRP tenders means you'll enjoy impressive performance with smaller engines, all combined with excellent payload capacities

2023 also welcomes the arrival of the Classic E Range, modified for and powered by ePropulsion. This addition means the Classic range really does offer a tender for everyone.

# CONSOLE OPTIONS CL340 & UP

## FCT CONSOLE

The FCT console package is a perfect addition to any Classic 310 up to Classic 380 model giving you an additional level of comfort and enjoyability for your day on the water. The rear bench seat with high backrest and closed cell foam cushions which won't hold water, are perfect for a comfortable day exploring. The console helm is an open style design giving you unprecedented legroom in a boat of its size while a carbon dash with LED switches and branded steering wheel add a dash of style. An electrical package including led flush mounted switch panel, navigation lights and bilge pump are all standard.

WEIGHT: 36kg / 80lbs    CAPACITY: 100l / 3.5 cu ft

## GT CONSOLE

The NEW "Grand Tour" GT version console option combines lightweight and performance of the Classic line but with more comfort and styling from the luxury Sport boats for a perfect combination of reliability and styling. The Classic GT is available for CL340 and up, turning the Classic into an easy handling runabout, perfect for having fun when you've anchored for lunch.

CONSOLE WEIGHT: 25.5kg / 56lbs    FOLDING SEAT WEIGHT: 20kg / 45lbs
