

MADE IN DENMARK SINCE 1967

DRAGONFLY 28
FAMILY CRUISER & RACER

DESIGN & PERFORMANCE

The Dragonfly 28 sets new standards for the possibilities of a sailing boat. The perfect boat does not exist – but the Dragonfly 28 is very close to this ideal.

Great fun and easy handling – accommodating 5 people. The Dragonfly 28 is for the modern sailor, who requires multiple possibilities from his vessel. This boat is all about possibilities, fun – and above all, excellent sailing abilities. The Dragonfly 28 comes in three versions – the Touring version represents the trailable family cruiser, whereas the Sport version is the trailable In- and Offshore Racer. The new 2016 Performance version with new wave piercing float design calls for the ultimate performance.

"I like this boat. She's a very good pocket cruiser, trailerable and nicely detailed. This boat is fun to sail, with no real faults for her intended purpose and offers truly amazing accommodations for her size."

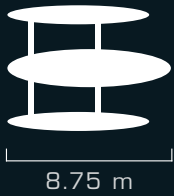

Peter Hogg - Cruising World Boat Of The Year judge.
