435 GTO

---

Galeon Yachts introduced the grand touring line of feature-filled day boats that melds the luxury fit and finish of its cruiser yachts with a streamlined design and truly incredible performance stats. The 435 GTO is the next-in-line of powerful, outboard models with its sleek contours and versatile space distribution on board, bound to stand out in any marina.

The silhouette is a clear evolution of the acclaimed 375 GTO with even more aggressive lines and eye-catching details fitted onto the two-tone exterior. The striking side profile features full-length hull windows and partially glazed balconies, while the wheelhouse is surrounded by glass for unobstructed, 360° views.

With the additional space on board, the two main outside areas are capable of entertaining guests while cruising or anchored. The cockpit holds the aft bench which can slide forward and face opposite directions, while a rectangular table can be set up in the aft cockpit area for al fresco dining. Extend the retractable sunshade for extra protection from the elements and offer your guests some much needed respite in harsh weather conditions. Keen fisherman will appreciate the six rod holders mounted on top of the roof.

## UNLEASH ELEGANCE, EMBRACE ADVENTURE - THE 435 GTO

Galeon Yachts are famous for introducing the Beach Mode to a wider audience, with deployable port and starboard balconies that extend the width of the cockpit significantly to provide additional space for activities and entertaining guests on board. With glass sliding doors dividing the main deck, improved temperature control with extra privacy and security is included.

The enclosed area on the main deck includes the port side wet galley, a U-shaped dinette and three independent sport seats opposite the helm station. With a push of a button both windows can be lowered into the hull – a marvel of engineering considering their size and location. An oversized, tinted sunroof comes in two pieces and can be retracted at a moment's notice.

The 435 GTO by Galeon Yachts boasts a flush floor design, allowing easy access to the wide bow area. The front bench offers comfortable seating with reclined position, headrests, armrests, cupholders, and an outdoor speaker system. The interior features upscale cabinetry, a walk-in shower in the head, and a well-appointed galley.

The master bedroom offers a double bed and ample storage, while the guest cabin accommodates double and single beds. With top-notch performance and luxurious finish, the 435 GTO exceeds expectations for its class.

# Technical specification

Length of the hull	[m]	12,55	[ft]	41'2"
Length overall	[m]	13,65	[ft]	44'9"
Beam of the hull	[m]	4,11	[ft]	13'6"
Beam overall	[m]	5,91	[ft]	19'5"
Draft max. (canoe body)	[m]	1,18	[ft]	3'10"
Fuel tank capacity	[dm3]	2000	[US Gal]	528
Water tank capacity	[dm3]	300	[US Gal]	79
Mass of Light Craft Condition	[kg]	16018	[lbs]	35314
Maximum load	[kg]	3682	[lbs]	8117
