The Lagoon 52 F Flybridge (2019) is a spacious and elegant cruising catamaran designed for comfort, style, and performance. Its large flybridge, expansive cockpit, and bright open-plan saloon create an exceptional onboard living experience. With generous cabin layouts and excellent stability at sea, it's ideal for both luxury charters and extended family cruising. The 52 F delivers smooth sailing, easy handling, and premium comfort, making it a standout choice in its class.
