

# STANDFAST 51

"RED ARROW"

## ASKING PRICE

289.000€ → **259.000 €** VAT paid

**Atalanta Marine** represent this unique **1991 Standfast 51** located in Greece.

S/Y Standfast 51ft "Red Arrow" designed by naval architect Ed Dubois as one off for her yard owner. Standfast Yachts was a very famous shipyard from The Netherlands which was known for their high level of built quality, similar to Nautors Swan yachts.

"Red Arrow" has been custom built in 1991 as hull number 651 by using the highest level of materials, parts and quality throughout the process. Ed Dubois has chosen for a wide and clean deck layout together with a large single cockpit, which resulted that this yacht is still a timeless and stunning design.

She is a fast sailing, very solid and safe yacht with all comfort to accommodate up to 8 people.

This yacht is in overall good shape and throughout the ownership lots of maintenance has been performed! Red Arrow gives also possibility for regional holidays but also for long trips round the globe.

This eye-catching yacht is for sale in Athens region and ready for their new owner.
