Description

The 2023 Sea Ray SDX 250 is the ultimate blend of style, comfort, and performance, designed for families and friends to enjoy unforgettable days on the water. Measuring 25 feet in length with a spacious beam, this versatile deck boat offers seating for up to 14 passengers, making it perfect for cruising, water sports, or simply relaxing in luxury.

Powered by a 350 HP Mercury 6.2 engine, the SDX 250 delivers a smooth, powerful ride, complemented by its deep-V hull for stability in various conditions. Thoughtful amenities include plush seating, a convertible cockpit layout, a built-in swim platform with optional submersible step, and an enclosed head for added convenience.

The boat's sleek design and customizable features, such as advanced navigation technology, premium audio systems, and stylish finishes, ensure a personalized and elegant experience. Whether you're tubing, anchoring in a quiet cove, or entertaining friends, the Sea Ray SDX 250 offers an elevated boating lifestyle with the perfect balance of functionality and sophistication.

The 2023 Sea Ray SDX 250 with the Mercury 6.2L (350hp) engine comes equipped with a Bravo III sterndrive. The Bravo III drive system is known for its excellent performance, offering improved fuel efficiency, handling, and smooth acceleration, especially in more challenging conditions. This drive type also enhances the boat's overall manoeuvrability.
