Description

Fairline Targa 35

Vessel Specifications and Equipment

This is a beautifully maintained FAIRLINE Targa 35, fully refurbished during 2021 and 2025 to 100% perfection through a comprehensive upgrade program that began in 2021 and continues to today. Practically everything on board has been renewed or upgraded — including major engine components such as new turbos (2023), new superchargers (2024), and practically all engine parts, new batteries, and more. Both the interior and exterior are brand new, featuring fully refurbished sofas and seating, both inside and on deck. The engines received their most recent full service in September 2024 and are in perfect working condition.

General Description of Vessel:

This is a twin-screw, open-cockpit motor vessel with two decks, featuring a lower deck constructed from glass fiber reinforced plastic. The interior is crafted in wood and is in excellent condition, complemented by fully refurbished upholstery throughout. The vessel has been used exclusively for private pleasure purposes and has had just two owners. The total engine hours are less than 800 (around 760 hours).

Vessel Particulars

Type: Twin Screw Motor Vessel

Builders: Fairline Boats plc

Model: Targa 35

Year of Build: 1995

Displacement: 11.09 tones

Length: 34.3 Feet
